

>> **IMPORTANT**

**Campus TV is now upgraded to high-definition.
Re-scan your channels before using.**

Instructions

This process can vary by TV manufacturer. Start with the following steps. On your remote:

1. Main menu – Press ENTER
2. Channel Menu – Press ENTER
3. Antenna-Cable Menu – Press ENTER
4. Cable System-STD Menu – Press ENTER
5. Search (auto-program) Menu – Press ENTER

Problems? No worries.

I re-scanned, but my TV is not getting all of the channels.

- Re-scan your TV according to your manufacturer's instructions. Refer to your manual (it's likely online) or call the manufacturer for the steps.

How do I re-scan my TV if I don't have a remote?

- Refer to your manual.
